

JULY 2018 NEWSLETTER

HAVE A HAPPY AND SAFE 4TH OF JULY!

JUST A REMINDER ...

It is illegal to shoot fireworks anywhere in the Town of Lochbuie. Considering the extremely dry conditions, the Fire Department is urging all residents to please enjoy fireworks at one of the surrounding town/city displays ONLY! Per the Town Municipal Code (Article XII, section 10-12-2), anyone **possessing, storing or exploding** any fireworks within Town limits will be subject to fines and penalties.

“Except as provided herein, it is unlawful for any person to possess, store, to offer for sale, expose for sale, sell at retail or use or explode any fireworks within the Town limits. Any person convicted of violating this Section shall be subject to the penalties set forth in Subsection (Chapter 10, Article 1, section 10-1-70(d)).”

For more information regarding regulations, fines and penalties, and to see the complete Town of Lochbuie Municipal Code, visit our website at: www.lochbuie.org

ROOFING COMPANIES....

Since the recent hail storms, we have had several roofing companies come through Lochbuie neighborhoods offering their services to repair damage. PLEASE BE AWARE that ANY and ALL types of door-to-door sales are prohibited in Town limits unless the business has a current license (Business and/or Peddler’s) with the Town. Please ask any solicitors to show their current license before considering them for any goods or services. Contractors of all types also **MUST** be licensed and **building permits are required for all roofing projects.**

Remember...
pull or spray
all weeds this
summer!

Please be aware that Code Enforcement will be patrolling all areas making sure all residents are in compliance with the Town’s weed ordinance (Chapter 7; Article III; section 7-3-10) which prohibits weeds, grasses or other “rank vegetation” to grow in excess of 5” in height. Warnings and citations will be issued for properties that do not meet these standards.

SLOW THE FLOW

Sign up for a **FREE** sprinkler inspection to save thousands of gallons of water every year at: conservationcenter.org/sprinkler or by calling (303) 999-3824.

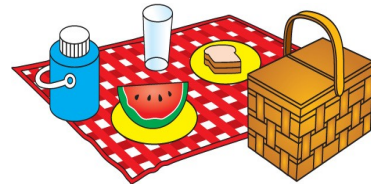

Brought to you at no cost by the **Town of Lochbuie** and the **Center for ReSource Conservation**.

Please be mindful of the watering schedule and make every effort to save water during the upcoming growing season.

Be sure to check sprinkler heads for leaks! Watering is not allowed between the hours of 10:00 AM and 6:00 PM due to excessive heat and evaporation. All **even address numbers** may water on Sunday, Tuesday and Thursday. All **odd address numbers** may water on Monday, Wednesday and Saturday. (See calendar below). ***Friday is a no-water day.***

In the event that you have recently seeded or installed new sod, contact the Town for a special watering permit which allows for additional watering outside the specified schedule.
