

## Thank you for your service!

October 30, 2018 marked the “end of an era” for the governing body of the Town of Lochbuie. Mayor Mike Mahoney and Trustee Mardi Early attended their final meeting as elected officials of the Town.

Mike Mahoney was elected to the Board as a Trustee and began his service in 2006. In 2012 he was elected as Mayor and has served in that capacity for the past 6 years.

Mardi Early has served as a Trustee since her election in 2008.

Lochbuie has undergone many changes during their tenure on the Board, which include several capital improvement projects, positive growth and financial stability.

Thank you both for your dedicated service and hard work. Your personal investment of time, talent and energy has contributed greatly to the successful future of the Town of Lochbuie.

### FALL BACK—DAYLIGHT SAVINGS TIME ENDS NOVEMBER 4TH

Remember to set your clocks back one hour on  
Saturday night, November 3rd.

*Veterans Day is Sunday, November 11th*  
The Town of Lochbuie honors all those who have served.

Thank you !

### TIME FOR TOYS!

Christmas is just around the corner and Weld County “Santa Cops” are busy planning the 2018 Holiday Toy Drive. In 2017, the program served just short of 5,000 children and we hope to top that number in 2018. The Lochbuie Police Department is now accepting donations of new, unwrapped toys to distribute to children in need here in our community. Please bring your generous donations (toys or cash) to Lochbuie Town Hall anytime M-F, 8:00-5:00.

The Public Works Department would like to thank all residents for your patience and cooperation throughout the duration of 2018 street sweeping project. During this 5 week operation the crews collected **25.7 TONS** of debris!

**ROAD CONSTRUCTION CONTINUES**

Road construction projects are underway in several areas in and around the Town of Lochbuie. Remember to proceed with **CAUTION** when driving through these areas!

# Winter reminders . . . .

Snow season is on the way!

During light snowfalls of 2 inches or less, spot treating of roads will be done on all designated routes and in certain icy areas on non-designated roads (controlled intersections or significant elevation changes). If snowfall is predicted to exceed 2 inches, Town crews will plow and treat primary routes beginning when 2 inches have accumulated. The Town uses de-icing materials (no salt or sand) for road treatments. See the complete map and list of priority streets/routes on our website at:

[www.lochbuie.org](http://www.lochbuie.org)

*Note: According to Town Code, residents have 24 hours after snow has ended to shovel walkways in front of their homes.*
