The Town of Lochbuie's Solid Waste Program is Changing Services. Republic Services will be the Town’s new provider, they will begin services on March 1st, 2023.

**Why the change?**

The contract with Waste Management is due to end on 2/28/2023. After completing a competitive bid process, Republic Services offered the best prices and services for our residents. Republic Services has the opportunity to give our residents access to additional services like carryout service, trash tags for overflow waste, and roll-off dumpsters. Republic Services is a national company well versed in municipal collection services.

All Lochbuie Residents participating in the town-run solid waste and recycle collection program will receive new 95-gallon Republic Services carts. Residents will receive one (1) 95-gallon trash cart (Black Lid) and one (1) 95 gallon recycle cart (Light Blue Lid). Residents will have the option of ordering an additional trash cart and/or an additional recycle cart if your waste needs require additional capacity. Additional fees do apply.

Beginning Monday February 20th, distribution of the carts will begin. We anticipate completing all deliveries by Friday February 24th. Deliveries will begin with customers whose current service day is Monday. After Monday deliveries are complete, we will move onto Tuesday customers and so on. The
distribution team will deliver one waste stream at a time so please be patient for the team to deliver both carts. All deliveries will be completed by Friday the 24th if not sooner.

**Prepare your Items Properly for Collection**

**Trash - BLACK LID**

Please bag all trash, this cuts down on windblown debris and keeps your trash cart cleaner.

Items beside or on top of your trash cart will not be picked up – make sure everything is inside the cart with the lid closed.

**Recyclables - LIGHT BLUE LID**

All recyclables should be Empty, Clean and Dry.

Do not bag your recyclables, leave them loose in the cart.

Recycle plastic bags at your local grocery store or re-use them in your home.

Make sure all recyclables are inside the cart with the lid closed to limit wind-blown debris.
Acceptable Recycling Items

These items can be mixed together in your recycling cart:

- Aluminum (not crushed)
- Aluminum foil
- Brown paper bags
- Bulk or junk mail
- Chipboard (cereal and tissue boxes)
- Corrugated cardboard (flattened)
- Empty aerosol cans
- Glass bottles and jars
- (no glass kitchenware)
- Magazines

**Additional Services**

**Bulk Item Pick Up:**

Lochbuie residents participating in the city collection program can contact Republic Services at 303-286-1200 to schedule a bulk item for removal. The bulk item must be scheduled and paid for prior to collection. The bulk item will be scheduled for removal which may not necessarily be on your normal collection day. Republics customer service representative will instruct you on what day to have your item out for collection. Fees do apply

**Carry – Out Service:**

Republic Services will provide front door pick up for residents with the physical inability to bring out their containers. Please note all containers must be accessible to our drivers without going behind fences, inside garages etc. For more details, please contact Republic Services. Fees do apply
Household Hazardous Waste (HHW)

Household products that contain corrosive, toxic, or flammable ingredients are HHW. These products cannot be safely disposed of in your curbside cart and do require special handling. Examples of HHW include paint, oil, cleaning solutions, batteries, fluorescent bulbs/lamps, propane tanks, pesticides, and fertilizers. Please do not put these items in your trash cart.
