Agenda Item Summary

MEETING DATE: January 12, 2024

SUBJECT: Revised Policy on Remote Meetings and Remote Participation During Town Board of Trustees Meetings

SUBMITTED BY: Maureen Juran, Town Attorney

SUMMARY

A replacement policy to the Town Board of Trustees' 2020 policy on remote participation and the holding of fully remote meetings is being presented for Board consideration. A motion to approve the revised 2024 policy will achieve the suggested updates to the policy. The Board previously approved the concepts of this revision by consensus direction at its meeting held January 2, 2024.

HISTORY AND DISCUSSION

In 2020, during the height of the COVID-19 pandemic, the Town Board of Trustees adopted a policy on electronic participation at meetings and the holding of fully remote meetings. At that time, this was a foreign concept for most local governments which, to that point, had historically always held meetings with physically present attendance required. As such, many provisions and limitations were written into the 2020 policy that have proved unnecessary. In fact, the public often has taken advantage of the opportunities to view public meetings from the comfort of their homes and thus the holding of public meetings through electronic means can often foster rather than hinder transparency,

Revisions to the policy are recommended to relax some of these limitations, while still ensuring transparency and due process concerns are appropriately addressed.

Highlights of the suggested revisions include:

1. Allowing for meetings to be held as fully remote meetings and for remote participation in physical meetings.
2. Changing the procedures to allow for quasi-judicial actions to be heard at fully remote meetings and for electronically participating members to participate in both executive sessions and quasi-judicial hearings with certain procedural safeguards.

RECOMMENDATION

Town staff and the Town attorney recommend that the Board approve the proposed revised 2024 policy. Alternatively, the Board may ask for the policy with some amendments to be placed on an upcoming Board agenda.

Recommended Motion: *“I move that the Town Board of Trustees approves Policy No. 2024-01, Remote Meetings and Remote Participation During Town Board of Trustees Meetings, as presented.”*

PURPOSE AND INTENT:	To specify the revised rules and procedures by which members of the Town Board of Trustees may participate in regular and special Board of Trustees meetings and executive sessions by telephone or other electronic means and to allow for the holding of fully remote meetings completely through electronic means.
SCHEDULED REVIEW AND REVISION:	As deemed necessary or desired by the Town Board of Trustees or upon recommendation of the Town Administrator or Town Attorney.
ATTACHMENT(S):	None
REFERENCE(S):	Article 15, Title 31 and general administrative powers conferred upon Colorado municipalities to govern the affairs of the municipality; Colorado Open Meetings Act, C.R.S. 24-6-401 et seq.
SPECIAL PROVISIONS	<p>The Town Board of Trustees reserves the right to amend, suspend or revoke this Policy at any time without notice.</p> <p>This Policy shall not be interpreted in a manner that would deny full and equal access by disabled Town Trustees or the public to Town Board of Trustees' meetings or to the full and equal participation of disabled Trustees or members of the public in all aspects of Town Board of Trustees meetings.</p>

I. Remote Meeting Participation.

Remote participation serves a valuable purpose when a Board member is unable to attend a meeting in person or when the Board determines to meet virtually. Remote participation shall constitute presence in person at the meeting for purposes of establishing a quorum and for voting requirements.

II. Remote Meetings.

The Mayor or the Town Administrator may determine whether any regular or special meeting shall be held remotely in accordance with the following:

- (A) At least twenty-four (24) hours written notice shall be provided to each Board member that the meeting will be held remotely, and the agenda for such meeting shall be revised to reflect it will be held remotely.
- (B) The Town Administrator or Town Clerk shall take reasonable and practical measures to ensure that remote meetings are open to the public at all times and information is provided to enable the public to join the remote meeting; that Board members can hear one another or otherwise communicate with one another and can hear or read all discussion and testimony in a manner designed to provide maximum notice and participation, and each such meeting provides Town staff and the public a reasonable opportunity to be heard.
- (C) Executive Sessions and Work Sessions are permitted to occur during a Remote Meeting. For executive sessions, persons participating remotely must participate in a secure and confidential manner in a location where no other persons can hear the content of the executive session and no participants may record or otherwise transmit the contents.
- (D) Public hearings on quasi-judicial matters and votes on quasi-judicial actions may be taken during a remote meeting in accordance with procedures that ensure due process by providing all interested persons the opportunity to be heard.
- (E) If the Mayor or Town Administrator determines that sufficient procedures or electronic means are not available to hold a quasi-judicial hearing during a remote Board meeting, any quasi-judicial matter scheduled for such remote meeting of the Board shall be continued by motion of the Board to the date and time of the next regular or special meeting to be held in person. If the Board is unable to determine when the next in-person meeting will be held, such quasi-judicial matters shall be vacated, and new public notice provided when such quasi-judicial matters are rescheduled.

III. Remote Participation at an In-Person Meeting.

A member of the Board may participate in a regular or special meeting or work session of the Board by phone, video, or other similar remote means as may be approved by the Mayor or four (4) members of the Board, not including the one making the request, for good cause. For purposes of this Section, "good cause" shall include, but not be limited to, circumstances that either prevent physical attendance at the meeting by a Board member, including work or personal travel, or for reasons that physical attendance by a Board member may compromise such person's health or the health of others. A Board member joining a meeting remotely may participate in and vote on any item before the Board at such meeting, including executive sessions and quasi-judicial matters, provided the Board member is able to view, hear, and

consider all testimony and other evidence presented at the public hearing in a manner similar to those Board members attending the meeting in person. For executive sessions, the Trustee(s)/Mayor or any other person participating remotely may only participate in a secure and confidential manner in a location where no other persons can hear the content of the executive session and such participants shall not record or otherwise transmit the contents.

IV. Technological and Connectivity Issues.

If technological, connectivity, or other issues prevent a member from participating in a meeting remotely or arise during such member's remote participation in a meeting, the in-person meeting shall continue without such member's participation provided there is a quorum of members meeting in person. A member who experiences technological, connectivity, or other issues during a meeting may only vote on a matter before the Public Body if they were connected during the entire public hearing and/or discussion and are able to cast their vote orally. Participation and voting by text or other means of communication is not permitted.

V. Reasonable Accommodations.

The Town shall provide reasonable accommodation and shall waive or modify provisions of this Policy to provide disabled Town Trustees or members of the public full and equal access to Board of Trustees' meetings.

By majority vote of the Board of Trustees, made effective this 12th day of January, 2024.

Agenda Item Summary (AIS)

MEETING DATE: January 12, 2024
SUBJECT: Ordinance 2024-689 revising Section 2-62-60 of the Lochbuie Municipal Code regarding the calling of special meetings
PRESENTED BY: Maureen Juran, Town Attorney

SUMMARY

This is a request for the Board of Trustees to approve Ordinance 2024-689, which will revise the provisions of the Municipal Code that govern the calling of special meetings. Currently, the provisions require the Town to provide 24 hours advance notice to each elected official by (A) personally serving such notice, (B) leaving notice at the elected officials' residences, or (C) sending it via electronic mail with reply confirmation of receipt needed. This is burdensome for Town staff and decreases the nimbleness of the Town to call and hold special meetings when the business of the Town requires it to do so.

Instead, the revisions to Section 2-2-60 will provide that a special meeting may be called (usually with 24 hours advance notice except when there is an emergency) by (A) personally handing such notice to an elected official, or (B) sending an email to each board member's town email address (and not requiring reply confirmation of receipt). In addition, as a courtesy only, and not as a legal requirement, the Town will place a phone call to each board member and/or send a text message to each board member regarding such meeting.

This change should decrease Town resources necessary to comply with the ordinance while still ensuring sufficient efforts are made to inform all board members of any special meeting that is called. It also adds to the certainty that a special meeting may be legally held as it eliminates the need to wait to hear a reply from each elected official.

FINANCIAL IMPACTS

Adoption of Ordinance 2024-689 will have no financial impact for the Town.

CONCLUSIONS AND RECOMMENDATIONS

Town staff recommends adoption of Ordinance 2024-689. Staff recommends the following motion: *"I move to approve Ordinance 2024-689, An Ordinance Amending Section 2-2-60 Of The Town Of Lochbuie Municipal Code Governing Special Meetings."*

Agenda Item Summary (AIS)

MEETING DATE: January 12, 2024
SUBJECT: Highlands Annexations Nos. 1-3
PRESENTED BY: Chris Kennedy, Community Development Director
Maureen Juran, Town Attorney

SUMMARY

The Town has received three petitions for annexation of land generally east of I-76 along WCR 4 and 41 and including portions of WCR 4, 41, and 45. The following map outlines the general area of the properties. This is a request for the Board of Trustees to approve Resolution Nos. 2024-05, -06 and -07 pursuant to CRS section 31-12-108, each of which require a finding of substantial compliance of the relevant South Weld Annexation Nos. 1, 2 and/or 3 petitions with the requirements of CRS 31-12-107. The proposed resolutions also establish a date, time and place for a public hearing to determine whether the areas proposed to be annexed meet the applicable requirements of section 30 of article II of the state constitution and the provisions of the Municipal Annexation Act and are therefore eligible for annexation.

DISCUSSION

CRS Section 31-12-107 requires that property owner(s) initiate formal annexation requests by submitting a petition to the annexing municipality. South Weld Holdings (similar ownership as Bromley Companies) has submitted three separate petitions for annexation of 194.37 acres of property located generally north and east of the I-76/CR4 intersection. The petitions include portions of WCR 4, 41, and 45.

CRS Sections 31-12-107 and -108 require that the Board of Trustees confirm that the annexation petitions are in substantial compliance with the relevant requirements of Section 30 (1)(b) of Article II of the Colorado Constitution and Section 31-12-107(1). In addition to being in the correct form and containing the required technical information, the petitions and relevant attached annexation maps are required to meet two key criteria. Those criteria and a brief explanation of how the petition complies with them are provided below:

- 1) The signers of the petition must comprise more than fifty percent of the landowners in the area and own more than fifty percent of the land in the area.

Criterion met: Staff has researched the ownership of the land that is the subject of each petition and finds this criterion is met and recommends that the Board find the same.

- 2) One-sixth of the perimeter of each of the areas proposed to be annexed in the separate petitions must be contiguous with the existing boundaries of the Town. The required contiguity may be established through the annexation of multiple parcels in a series (including segments of road right-of-way) that may be considered simultaneously.

Criterion met: Staff has reviewed the annexation maps provided and found that the contiguity requirements set forth in state statutes have been met and recommends that the Board find the same. The Town's engineers and surveyors will perform additional review and confirm the absence of technical errors prior to the public hearing.

CRS Section 31-12-108 also requires that the Board of Trustees establish a date, time and place for a public hearing to determine whether the areas proposed to be annexed meet the applicable requirements of CRS Section 30 of Article II of the state constitution and Sections 31-12-104 and 31-12-105 and is considered eligible for annexation. The hearing must be held at least thirty days after the effective date of the resolution setting the hearing, but not more than sixty days after

that date. Staff suggests Monday, February 12, 2024, at 5:30 pm as a suitable date for the public hearing.

RECOMMENDATION

Staff recommends that the Board of Trustees approve the request by adopting Resolution No. 2024-05, -06 and -07 using the following suggested motions:

1. “I move that the Board of Trustees adopt Resolution No. 2024-05 A Resolution Of The Board Of Trustees Of The Town Of Lochbuie, Colorado, Accepting An Annexation Petition, Making Certain Findings Of Fact, Finding Substantial Compliance For Such Petition, And Setting A Public Hearing For Annexation Of Property Known As The South Weld Annexation No. 1.”

Following the vote on the first motion:

2. “I move that the Board of Trustees adopt Resolution No. 2024-06 A Resolution Of The Board Of Trustees Of The Town Of Lochbuie, Colorado, Accepting An Annexation Petition, Making Certain Findings Of Fact, Finding Substantial Compliance For Such Petition, And Setting A Public Hearing For Annexation Of Property Known As The South Weld Annexation No. 2.”

Following the vote on the second motion:

3. “I move that the Board of Trustees adopt Resolution No. 2024-07 A Resolution Of The Board Of Trustees Of The Town Of Lochbuie, Colorado, Accepting An Annexation Petition, Making Certain Findings Of Fact, Finding Substantial Compliance For Such Petition, And Setting A Public Hearing For Annexation Of Property Known As The South Weld Annexation No. 3.”
