Fellow Lochbuians-

Well, this is my final update as Mayor. Your newly elected Mayor and Board will be sworn-in at the December 1 board meeting. To that end, the newly elected Mayor, whoever that may be, will start handling this update beginning in December 2020.

Now on to the updates regarding the Town's recent activities:

First, and foremost, I want to remind everyone to VOTE, if you have not already done so. Remember that there is an official Weld County ballot box located just outside the front doors of the Lochbuie town hall building.

Second, the Board recently approved ordinances concerning development and operational standards for any future gas stations and storage facilities within town limits. To see a copy of those ordinances or for more details, please contact town hall.

Third, the Board approved a professional services agreement for the purposes of preparing updated water and wastewater cost of service studies. Those studies should be completed by the first part of 2021. Please watch this newsletter and the town website for more details regarding informational sessions and opportunities for public input in the coming months.

Fourth, the Board recently adopted a "social media policy" providing guidance related to use of social media tools by board members. To see a copy of that policy or for more details, please contact town hall.

Fifth, the Board is in the process of completing the 2021 town budget. Following a short regular meeting on November 17, 2020, there will be one last budget work session to finalize the budget. All members of the public are welcome to attend. That meeting will likely be held virtually via Zoom.

Finally, I want to close by taking a brief moment to thank all of the citizens of this town. It has been a genuine honor and privilege serving this community as an elected official for the better part of the last decade. I wish each of you and this Town nothing but the best.

I also wanted to thank all of the people that I've had the privilege to serve alongside during that time, including all of the town staff, our dedicated police officers, and the others that have served with me on the Town Board. It has been a genuine pleasure getting to know each of you and working with you.

Lochbuie has a bright future ahead of it, and I look forward to seeing what she accomplishes in the future. Please continue to stay happy and healthy, and, as always, do not hesitate to contact the new Mayor or any of the board members with your questions, comments, or concerns.

Thank you for the opportunity to serve!
