Mayor's Corner

I hope everyone has been weathering the cold with no frozen pipes and your heaters are tuned up.

As you all may have guessed the road 2 construction has once again been delayed. Unfortunately, we have to now wait until the end of this year to complete the bridge over the irrigation ditch. The ditch company will not allow any shut down of their ditch until then and that is the only time we can get Excel energy to relocate a gas line so the bridge can be built. It is frustrating and I wish it were different.

Your new board is acclimating to a new job and those of us that have been here are acclimating to a new way of doing town business(COVID). It is a challenge but we are doing our best in the current climate.

Stay safe and warm.

Michael Mahoney, Mayor

IMPORTANT INFORMATION ABOUT YOUR WATER SYSTEM

As part of the on-going system maintenance and improvements, the water system is going to experience a few interruptions over the next two months. The first interruption will occur on Tuesday, March 9th between the hours of 2:00 am and 4:00 am. Please refrain from using water during the short outage. All further interruptions will be scheduled between the hours of 2:00 am and 4:00 am.

We will make every effort to notify our customers at least 24 hours prior to the other scheduled interruptions. Notices will be posted on the Town's website as well as the Town's Facebook page emails will be sent to those that are listed through their HOAs. We appreciate your cooperation.

If you should have any questions or comments, please contact Wayne Ramey, Water Treatment/Water Distribution ORC at 303-921-0129.

Snow Removal on Sidewalks!!

This is a friendly reminder from the Town of Lochbuie. After a snow storm all property owners and/or tenants are responsible to clear their sidewalks of snow and ice within 24 hours after the snow stops.

Sec. 11-2-10. - Maintenance responsibility for Town property.

It shall be the responsibility of the present and future owners of property adjacent to all public streets and occupants thereof to provide for the proper maintenance of all property and improvements thereon from such owner's property line to the main traveled portion of the adjacent public street to the front and, in the case of a corner lot, to the side. Such responsibility shall include, but not necessarily be limited to, periodic mowing, weed or rank vegetation removal, watering of landscape improvements, and removal of snow and ice from any sidewalk located within such property within a reasonable time after accumulation thereof, not to exceed twenty-four (24) hours. Notwithstanding the maintenance obligations provided for herein, the owner shall not be obligated to landscape such property.

Please contact Code Enforcement if you have any questions 303-659-1395.

Professionally designed, low-water garden kits tailor made for Colorado gardens

You've decided that this is the year you'll finally get your yard in shape - but how can you get the gorgeous, colorful garden you've always wanted without paying the professional price tag and doubling your water bill? Easy. With just a click, you can order a xeric (low-water) garden kit in March that's ready to pick up and plant in May. These pre-designed kits are tailored to Colorado soil, and the simple plant-by-number maps take the guesswork out of buying and planting. Plus, the garden kits can help you save around 1,000 gallons of water compared to a traditional grass lawn (not to mention savings on your water bill!)
