Mingle with the Mayor—THIS MONTH!

Mayor Mahoney will be hosting the first of many Mayor's Mingle this month! Mingling will give the community an opportunity to ask questions about upcoming growth, scheduled Town events or any other topic that residents may have questions about.

Date/time TBA, and will be posted at www.lochbuie.org and the Town's Facebook page.

Lochbuie Night at the Pool has been cancelled for the 2022 summer. Brighton Oasis does not have the staff to support large events.

November 8, 2022 Election

In the upcoming election this fall, the Town will have four vacant positions on the Board of Trustees. Voters will also be electing a Charter Commission to create the Town Charter, if Lochbuie becomes Home Rule. Nomination petitions for Trustee and Charter Commission will be available on August 9 in the Town Clerk's office.

Water Conservation Resources

Are you looking for ways to decrease your water usage and still maintain a beautiful yard? There are many resources and options for you! Colorado is a dry climate, and it can be difficult to keep certain species of grass and plants alive without watering every single day. There are many types of plants that grow well in Colorado and do not require much watering. Please visit the sites below for more information.

A Note from Hudson Public Library

Summer Reading "Ocean of Possibilities" 2022 has been a *high tide!* Our patrons deserve a HUGE thank you for registering their children, teens, as well as themselves for our program. We've enjoyed being a part of your journey to push your reading limits, to explore new places and ideas, and to try new things. This has been our most successful summer reading ever. With that being said, just a quick reminder our Summer Reading program ends August 6th. If you haven't already done so, there is still time to sign up and win prizes. Congratulations to all our winners so far!! Please keep a lookout for our remaining 3 family programs on our Facebook page- Hudson Public Library (CO) or website at www.thehudsonpubliclibrary.org. While many people still think of libraries primarily as repositories of books or places for research, today our libraries provide access to an array of "nontraditional" resources meant to enrich the lives of community members in many ways. We have a wide variety of resources at both Hudson and Keenesburg Library that can be checked out all with just your library card. Some of those items include: State Park Passes, Fishing poles for children etc. Please don't forget about our Create HQ Makerspace. We provide a variety of resources for all types of activities. Whether you are into 3D-printing, laser cutting, Cricut making, sewing, button making, and more, you will find it in our makerspace.
