## TEMPORARY ROAD CLOSURE UPDATE

A temporary roadway closure of Weld County Road 2 (aka Baseline or East 168<sup>th</sup> Avenue) between North 60<sup>th</sup> Avenue and King Street is underway. This closure is necessary to demolish and reconstruct the existing bridge over the Speer Canal.

The Speer Canal bridge has been demolished. Preparation has begun for construction of the new bridge, which will consist of a concrete box culvert and will include the installation of storm sewer lines on either side of the canal.

CR2 is expected to be closed for seven to nine weeks depending on weather and other factors.

**A hotline is in place for updates on the project: 720-485-6045**
