## Stay Connected to Lochbuie Government

The Town of Lochbuie Board of Trustees meet the first and third Tuesday of each month. Lochbuie residents are always invited to join the public meetings. You can attend in person at the Town Hall located at 703 Weld County Road 37 or via Zoom. The attendee invitation can be found on our website at [www.lochbuie.org/meetings](http://www.lochbuie.org/meetings).

Lochbuie strives to be transparent and encourages public participation to help educate and inform our residents about what is happening in this fast growing community!

Residents are welcome to read agendas and previous meeting minutes on our website at [www.lochbuie.org/meetings](http://www.lochbuie.org/meetings).

For more information, email [townclerk@lochbuie.org](mailto:townclerk@lochbuie.org).

## Metropolitan Districts

Lochbuie residents may or may not know if they are living in a Metropolitan District. During the February 15, 2022 regular board meeting, Town Attorney Chris Price provided a brief but informative training about Metropolitan Districts. At the Town Board's request, staff will be providing resources for our community members to educate themselves on how Metropolitan Districts operate.

Stay tuned for more educational opportunities provided by Town staff and Town attorneys!

In the meantime, you can visit <https://data.colorado.gov> and search "Colorado Metro Districts" to view a map and learn more about the districts in our area!

## Spring Forward

Who is ready to Spring Forward?

Don't forget to set your clocks one hour ahead on Sunday, March 13, 2022.

This is also a great time to check your fire and carbon monoxide detector batteries!

## A Note from Hudson Public Library

The library is preparing for a great spring! We will be offering new classes for our MakerSpace and fun new programs will be coming your way! Make sure you check out our calendar under the events tab on our website [www.thehudsonpubliclibrary.org](http://www.thehudsonpubliclibrary.org) and on our Facebook page to see dates and times. We are also working on our Summer Reading Program for this year called "Oceans of Possibilities". If you have a business and would like to sponsor our reading program, please visit us in the library. Your business will be on our summer reading T-shirts that we will hand out at registration. Stop by the library for the newest books, DVDs, or programs as we move from the cold days of winter into the warm days of spring.
