## MUNICIPAL REMINDERS

Lochbuie residents, we've seen a dramatic increase in towed vehicles for no tags, expired tags, and/or fictitious plates/tags, and those are subject to immediate tow. A warning is NOT required prior to towing a vehicle. We understand that during Covid with DMV closures, expired tags were overlooked. However, that is no longer the case, and the Lochbuie Police Department is towing for this offense.

Please be aware of Code Enforcement and Officers watching for violations such as not shoveling walkways, dogs running loose, and more. For more information visit: [www.lochbuie.org/police/page/code-enforcement](http://www.lochbuie.org/police/page/code-enforcement)

The municipal code requires all vehicles on private property to also be up to date on registration. Municipal code Section 8-2-40.

## SNOWPLOWING & SHOVELING

- It is the responsibility of the current owner/s, as well as the people who live there, to clear snow and ice from public sidewalks in front of the property. In case of a corner lot, along the side of the property as well.
- Snow and ice must be removed no more than 24 hours after snowfall.

## NEW TRASH SERVICE FOR MARCH

Your garbage service day may change. Your recycling service will be on the same day as your garbage service day.

**MONDAY TRASH ROUTE:**  
Blue Lake / Bella Vista  
Lochwood Farms  
Old Town

**TUESDAY TRASH ROUTE:**  
Highplains / Berkshire  
Silver Peaks EAST  
Lochbuie Station/ Lochbuie Center

**WEDNESDAY TRASH ROUTE:**  
Silver Peaks  
Lochwood PUD

## UTILITIES UPDATE

At the Board of Trustees meeting held on December 6, 2022, Ordinance 2022-679 was passed. Ordinance 2022-679 amended the Town's fee schedule to increase the sewer plant investment fees and user rates.

### How this will affect your bill?

The monthly sewer rate base fee will increase from \$14.25, to \$14.68 per month. For the portion of the sewer rate that is calculated based on water usage, the rate will increase from \$4.50 per 1,000 gallons of water, to \$4.64 per 1,000 gallons of water.

Per the Town's recent Water Rate Study, the average monthly residential water usage is 4,000 gallons per month. For a home using that average, their sewer rate will rise from \$32.25 per month to \$33.24 per month.

The updated sewer rates will be effective on your bill mailed out on March 1st.
