SNOWPLOWING & SHOVELING

- Please remember that sidewalks must be cleared of snow by the property owner within 24 hours of the end of a snowstorm.
- Do not push snow into the roadway or right-of-way. Pushing snow into the public roadway creates hazards for Town snowplow operators and the public, including drainage problems, drifting, sight obstruction, hindered accessibility, slippery areas, and frozen ruts or bumps that can contribute to motor vehicle or pedestrian crashes.

SAFETY DAY

Mark your calendars and save the date because a fun-filled day is on it's way. Our annual Safety Day will take place on Saturday, May 11th from 11am - 2pm at Lochbuie Elementary. This event is geared towards kids and teens and provides them with a chance to visit with our local first responders and learn about bicycle safety. Be sure to stop at each first responder location to enter our raffle to win a FREE bicycle.

You can find more information on our website or on our Facebook Events page.
