Class of 2024

Congratulations to the graduating class of 2024 at Weld Central High School! Wish you the best as you being your next chapter.

Annual Sewer Flow Adjustments

Annually, your sewer flow average is adjusted and is reflected on your monthly utility bill. The sewer rate is a mix of sewer base, and sewer flow. Sewer flow is calculated by taking your average water usage from January, February, and March. Residential sewer base is \$15.12. The sewer flow is \$4.78 per 1,000 gallons of water used. Updated sewer charges will be on your utility bill mailed on May 1, 2024. Please reach out to us with any questions at 303-655-9308.

REMINDEERS

We would like to take a moment to remind all Lochbuie residents about a few municipal codes.

- Proper permits are needed if you would like to place a dumpster on residential or public properties.
- It is essential to keep vegetation on your property maintained. Grass, weeds, and other vegetation must remain lower than 5 inches tall.
- It is unlawful for any owner or keeper of a dog to fail to prevent such dog from disturbing the peace of any other person by loud, persistent and habitual barking, howling, yelping or making any other loud, persistent and habitual noise, whether the dog is on or off the owner's or keeper's premises.

Please contact our offices if you have any questions.
